HELP IN FINDING FUNDERS

SCF provides training to the general public on grantseeking and the use of the Foundation Directory Online (FDO). This user-friendly, online database is very helpful in assisting grantseekers in finding potential funding for their nonprofit organizations and themselves.

For more information about using the FDO or grantseeking, please attend any of our NPP workshops, or call the Foundation at 707-399-3846.

ABOUT THE PROGRAM

The Nonprofit Partnership Program (NPP) is supported by annual membership contributions and strengthens, develops, and serves Solano County nonprofits through capacity-building trainings and enhancing organizational visibility.

The Foundation acts as a convener of community forums to gather and disperse information about critical needs facing nonprofits and those they serve, from the diverse voices in Solano County.

NPP promotes partnerships among community leaders and decision makers, donors, the business sector, and our local nonprofits. A competitive grant is made annually from membership fees collected, to a community nonprofit addressing the highest need in one of Solano County's seven cities.

BENEFITS OF MEMBERSHIP

Membership is open to all nonprofit organizations, educational institutions, faith-based organizations, neighborhood associations, and service clubs. We also encourage local businesses, corporations, government entities, and individual leaders to join as community partners and advisors.

To view the current list of NPP member organizations and individual partners please visit www.solanocf.org.

NPP members form a network of peers, exchanging information and learning to run their nonprofits like businesses. Training topics include fundraising, accounting and management practices, visibility, and governance skills.

For a full schedule of NPP workshops and activities, please visit the Nonprofit Partnership Program Fund web page.

HOW TO JOIN NPP

The minimum annual NPP membership donation is \$50 per calendar year. Larger amounts are certainly welcome as all contributions received help support NPP activities and go toward grants.

*Your donation is 100% tax-deductible. Contributions may be made with a credit card online; just follow the "donate" link to **Google Wallet**, found on the NPP Fund's web page.*

Or, you may send in your gift by check (we do not accept cash), along with the completed NPP Membership Form (see the reverse side), to SCF at this address:
