WE'RE YOUR FOUNDATION

Solano Community Foundation (SCF) is a qualified public charity under IRS section 501(c)(3). This allows donors the maximum tax deduction for gifts and bequests made to SCF.

SCF holds and manages a wide variety of Funds, established by donors for a variety of charitable purposes. Each of our Donor Funds is held and administered according to its designated purpose. For growth and investment purposes, SCF pools fund assets, which reduces fees and overhead. SCF processes gifts received for each Fund and makes grants to address community needs, as requested by the donor.

We help improve the lives of people in Solano County. By bringing together the financial resources of individuals, families, and businesses, we help support nonprofits in their current and future efforts of providing the programs and services needed by their consumers.

Our business is building community through grants that work today and gifts that last forever.

ABOUT OUR SCF PROGRAMS

Nonprofit Partnership Program (NPP)
NPP promotes partnerships among our community leaders and decision makers, donors, the business sector, and our local nonprofits. This program is supported by annual membership contributions and is designed to strengthen, develop, and serve Solano County nonprofits. We offer NPP workshops designed to build organizational capacity and enhance.

Education Plus! Mini-Grant Program
Grants up to \$1,000 each are available to public school teachers, K-12, in the seven cities of Solano County and River Delta. Grants are made to underwrite projects that enrich the standard curriculum or school activities that positively affect students' day-to-day school experiences.
